

Topic examples I support:

- Support career and life transitions and reorientation quests (often leading to or including entrepreneurship)
- Deeper contribution through aligning with values, then making it practical to contribute in deeper ways and supporting that change
- Support change and adjustment in messy VUCA situations for individuals and teams
- Entrepreneurial mindset and strategy, building and growing an organization that reflects your values and vision and makes the world a better place
- ... let's discuss!

Coach Profile Lior (Christine) Locher:

- Coach since 2007. Nominated for global EMCC Coaching Award 2019. Work in English and German. Coaching work featured in [the Book of Beautiful Business](#)
- Supporting start-ups and entrepreneurs that want to create a better world through their businesses (since 2017)
- Going deep on change – with a conversational, non-threatening style (strong focus on values, purpose and authentic leadership) and strong accountabilities to make things happen in real life
- Author of “Values-based: Career and Life Decisions that make Sense”
- Author of chapter on Values-based Decision Making in [Global Challenges to CSR and Sustainable Development: Root Causes and Evidence from Case Studies](#)
- Deep expertise in how humans learn and grow and what else is needed to make change stick individually and on a whole organization level.
Previous experience in Consulting, Aviation, Media, Pharma, FMCG, Telecommunications, Education building communities, driving learning, change and global initiatives as first career. Now focusing on individual change-makers and small/growing businesses that aren't just in it for themselves. Holistic view on systems, structures, culture and processes as well as individual mindsets.

Credentials:

- Trained coach since 2007 (ICF-accredited training), nominated for EMCC Global Coaching Award 2019
- Degrees in communication, psychology, systems thinking and change, peace and conflict resolution, solution-focused business practice. Further training in sustainability and design and virtual and face to face facilitation.
- 12+ years in Learning and Development and change covering a range of industries
- Trained in transpersonal psychology and various holistic approaches, Yoga teacher, licensed as a psychotherapist (Heilpraktiker Psychotherapie) in Germany since 2009.
